

Involving Children with Funerals

A half day seminar for Clergy, Civil Celebrants and Funeral Directors

Wednesday 7th October 2015

1.30pm to 5pm

Kemnal Park Cemetery, Sidcup Bypass, Chislehurst, Kent BR7 6RR

People are sometimes unsure whether to include children in funerals. Our experience tells us that when children have a chance to be involved and say goodbye among the family and friends of the person who died, they understand better what has happened, and are more supported in their grief.

The seminar aims to help professionals understand the needs of grieving families and children so that they are able to better support them in creating meaningful and memorable funerals
